"...he is the gold standard in his field."

Steve Blitch
Formerly of Reed Smith

"Jim's courtroom performance is superb. His creativity and attention to detail made our visuals outstanding....he is unflappable, always accurate, and a pleasure to work with."

Bob Baechtold
Fitzpatrick, Cella, Harper & Scinto

"...FANTASTIC!...innovative, timely, professional, and extremely accessible. I would seek him out every time!!!"

Kelli Alfreds
Beasley Allen

"...Bottom line: You want Jim on your team."

David Conca
Paul Hastings

"Jim was our trial technology consultant during a 3 month federal trial. His skills and service were outstanding in every way. We recommend him highly and without reservation."

Matthew Crowl
Riley Safer Holmes & Cancila

"One of the best...I have complete confidence in Jim's ability to handle the graphics, animations and related technology...with the greatest expertise and professionalism..."

Bill Frankel
Brinks Hofer Gilde & Lione

"Jim provides quality presentation of trial exhibits, stays calm during the throes of trial and always wears a smile and keeps the trial team in a positive frame of mind."

Steve Ellenbecker
Gloor Law Group

PROFESSIONAL PROFILE:

Jim Hoy has over 17 years of experience as one of the Nation's leading trial technology consultants. From his vast experience in all facets of courtroom technology, presentation skills, and war room support, Jim traverses from courtroom technology assessment, setup, and troubleshooting to "hot-seat" lead director as litigation database administrator. He is adept in all areas of courtroom technology, including graphic design and illustration, digital photo imaging and enhancement, video editing, production and animation. Jim works calmly under the tightest of deadlines and is willing to do "**Whatever it takes**".

EXPERIENCE:

With well over 200 complex litigation trials to his name, Jim has handled matters ranging from patent infringement, product liability and white collar crime in several state, federal, and multi-district courts across the world.
